## **DETAILED ACTION**

## Allowable Subject Matter

Claims 1-20 are allowed.

The following is an examiner's statement of reasons for allowance: with respect to claim 1, there is no disclosure in the prior art of heating the low dielectric constant film to a desired temperature of at least about 600 °C at a rate of at least about 10 °C/sec, wherein the low dielectric constant film is maintained at the desired temperature for about five seconds or less; and then cooling the low dielectric constant film at a rate of a t least about 10 °C/sec.

With respect to claim 12, there is no disclosure in the prior art of heating the low dielectric constant film from a temperature of between about 25 °C and about 250 °C to a temperature of between about 600 °C and about 1000 °C, wherein the low dielectric constant film is heated for about five seconds or less; and then cooling the low dielectric constant film from a temperature of between about 600 °C and about 1000 °C, wherein the low dielectric constant film is heated and cooled within a time period of about 0.5 minutes to about 5 minutes.

With respect to claim 17, there is no disclosure in the prior art of heating the low dielectric constant film to a desired temperature at a rate of at least about 10 °C/sec, wherein the low dielectric constant film is maintained at the desired temperature for about five seconds or less; and then cooling the low dielectric constant film at a rate of at least about 10 °C/sec, wherein the low dielectric constant film is heated and cooled within a time period of about 0.5 minutes to about 5 minutes.

Application/Control Number: 10/830,203

Art Unit: 2823

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

## Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michelle Estrada whose telephone number is 571-272-1858. The examiner can normally be reached on Monday through Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Olik Chaudhuri can be reached on 571-272-1855. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is 571-272-2800.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR.

Art Unit: 2823

Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
